Cooking for Crowds

FOOD SAFETY STRATEGIES FOR COMMUNITY ORGANIZATIONS

May 13, 2019

6:00 P.M. to 9:00 P.M.

Emanuel United Church of Christ
4135 Jacksonville Road
Howard, PA 16841

- Learn what causes foodborne illness and how to prevent it
- Learn how to plan a safe and successful food event

extension.psu.edu

Why Attend ?

Church dinners, fire company chicken barbecues, booster club hoagie sales, organizational bake sales...nonprofit food fund-raisers are an excellent way to socialize with the community while earning money for organizational activities.

Did you know that in 2008, over **300** people became ill from food purchased at Pennsylvania nonprofit food-raisers?

- How will your organization protect its customers from foodborne illness?
- Does your organization know the food safety risks that result from cooking large volumes of food?
- Does your organization know how to **prevent** the food safety risks that result from cooking large volumes of food?

You and your organization have so much to gain from a successful food fund-raiser. Don't risk your customer's health or damaging your organization's reputation.
